What does it mean to be a Christian?

If you listen for the active verbs in John 1:12, you can see the path to becoming a Christian laid out clearly:

"But to all who *believed* him and *accepted* him, he gave the right to *become* children of God."

Believe + Accept = Become

To *believe* is to intellectually agree that Christ sacrificed himself to pay for the wrongs we've committed.

We then need to *receive* God's free offer of forgiveness and eternal life. This means we need to admit our wrongdoing, turn away from it, and humbly accept Christ's payment on our behalf.

This leads to the third verb: *become*—that's the life-change that God works in us after we believe in him and receive him as our savior, leader, and friend.

It should be noted that you do not have to get cleaned up in order to become a follower of Jesus Christ. You cannot earn his forgiveness. However, he will take you as you are, and you will find that he is the only one who can clean you up anyway.
